MikeTheWatchGuy wrote on Fri, 04 April 2014 09:13 Was the one from JB their long-post part? It sounds like it was but I'm confused enough to want to ask to be sure. What is the length of the hand itself? 2.5 mm?

Yes, it is and what I got from Frei has the same dimensions. Hand length is 3mm (but 2.5 would be ok) and post height is 1.9mm

and Mikey, maybe it is possible to do that. For sure I can't, I can barely see the bloody thing
