hi there

I'm looking for a set of Leaf, Moon or Baton style hands, gilt would probably look best but any colour will work, for a 179 movement. I need just minute hand if anyone has them in gilt Leaf (i have a matching gilt leaf hour hand) or a complete set (hour & minute) in anything else will work. I tried finding hole or length sizing in the Gruen Watch Reference Repairers manual without any success (I did find a good description of parts on page 98) but the hour hand that i do have is 7 mm in length.

PM me if you can assist?

Cheers!
mike
