There are so many people to thank with this project. It was a wish of mine to give back. So many times we read or hear about "Takers", I wanted to start a movement with the help of the watch community. Well, we did it. Tomas Garcia was instrumental in this endeavor, he was the person responsible for repairing this watch. Kurt Ryerson worked his magic on the hairspring and the stem came from this forum.
Thank ALL of you for contributions, without it, this would not of happened. Maybe, juts maybe we can do another project some day and select another worthy charity to help, if so count me in.
