Detroit WatchWorks is proud to offer watch parts for every Gruen watch models/calibers with awesome prices. We have our own CW21 who services Gruen watches and manufacture obsolete Gruen watch parts. We also, service any other watch from vintage to modern mechanical and quartz movements. Our turnaround time is faster than most with precise work and we can save you big money at Detroit WatchWorks.  You can request any watch part you need and or you can request to have your watch serviced by us with a free quote. Detroit WatchWorks also, buys any fine vintage and high end timepieces you may want to sell. Please do visit our website at detroitwatchworks.com and you can give us a call at 586-884-6578. We are open Monday - Friday 10am - 6pm eastern and Saturday 12pm - 5pm eastern (Sundays Closed). Thank you...
