This one sold today: 312454423394

Anyone have one like this? Or if they picked this one up?

I'd be interested in making a trade for one; I have the Paris Square strap 1 style with a Rebberg movement.

This one is complete with really nice dial (i.e., no obvious chips). Runs but needs service.

Jack, Is the item # correct? Not showing up in listings,
and I've been on ebay the past few days and haven't seen one of these.
Also, unfortunately I don't have a round one to trade.

It's correct. Gotta click on the "finished" listings.

Jack,

I have a couple of round ones and would be open to a trade. Add that to our ongoing list.
