I'm looking for two crystals.

1. Curvex Model 530, stylenumber 440-449
2. Veri-Thin Airman (Doctors), style number 406-460

Let me if you can help me out.

Did you try Darhin? He should be in this directory. He literally has thousands of crystals and I go to him whenever I have a need.

Sorry Thomas, PM sent.

Thanks guys for the testimonials!

Not getting email notifications of PM's.
