On Tuesday 6th of June, if all goes well, again a Gruen live stream on Chronoglide channels.

The stream is on Youtube (<https://www.youtube.com/@ChronoglideWatchmaking/featured>), facebook and twitch.

Time: 20:30 (CET/Amsterdam time)

I am going to discuss my watches and other stuff (in my best Dutch English 80) with watchmaker Kalle, sharing my love for Gruen. Questions can be asked in the live chat and your help is always welcome! 8)

Edit: wrong date... whoops.

I will try to watch this one. I caught a little bit of the last one and it was very cool.

It was most excellent to have seen live. Looked like you two had fun together.

make some pictures and post it in the model database.

And I had a sneak peak of the watch he is designing/making from scratch. It suits my Gruen taste.

Ooh, that sounds very interesting.

Also, in my head I pronounced Jenneke in the most midwestern American way possible, "Jenna" with a hard J and "Key". I don't know why. I speak rudimentary German so I should know how it would be pronounced. The actual pronunciation sounds much nicer.

You are not alone in this, until I was corrected some months ago.

And for sure, my English pronunciation of some of your words could be better too. Recently learnt
