Howdy Gruenites!!!!!!

I am looking for a "seconds wheel/gear" for one of my Pan Ams. I have lotsa stuff to trade, or I can purchase the part from you. Either way is fine. Any takers/givers?

Hi Jack,

Well, the wheel is on, but will have to tear apart to get the sweep moving. I wear a Pan Am all the time now, and am getting ready to sell another one I just finished. I was hoping to get this one up and running without too much fuss, but it needs to be thoroughly dealt with. Again, thanks for all the help.
