Model name : Quadron 100, Longacre  
Type : Tank/rectangular wristwatch  
Period/date : Circa 1931  
Gender : Mens

Case Maker : Gruen 5th Ave.  
Case Material : 14k White Gold  
Case Serial : 55297  
Case Style no : N/A

Caliber : 325(1)  
Movement Maker : Unknown, although presumably not in-house, as it is a "Guild" grade movement, lacking the "Precision" designation of the movements made at the Precision factory, despite its high jewel count.  
Movement Serial: Unknown

Bracelet : Leather, non-original.

Other info : Named after Margaret Gruen's recently-acquired husband, Jacob J. Longacre, who went on to have an illustrious career as a pioneering plastic surgeon. Retailed for \$100 in 1931. Also offered in "coin [yellow] gold" and with radium dial.
