Period : 1910s
Watch type : Ladies (watch shown is just for size reference)
Size : Approximately 4" x 3" x 1.5"
Inventor : Unknown
Patents : Unknown
Box maker : Unmarked

I have no idea what the "I.W. 1917" marking means. My best guess is that perhaps there was an option to personalize the box and that these are the original owners initials and the year of purchase/gifting.
