afire wrote on Thu, 11 June 2020 22:01 I don't know if this adds anything to the discussion, but I'm throwing it in here: [img]

The only thing that jumps out at me is that it has yet another bridge layout.

I did not list the changes in bridge layout in the data I showed, but I tracked that too, including when the reduced bridge like this shows up.

Nice watch! If you would post the full watch in the "guild" section, I think that would be appropriate to show there in detail. I know I want to drool over this bling.
