Wonderful collection of pink troopers! Funny you collected pink, I collected yellow.

Gotta wonder if the gold in the trooper case line had a different alloy makeup because of the war? My GF trooper is tarnished like yours. Out of all my 100 so ought gruens this is the only tarnished one I have run into except now seeing yours.

Solid gold troopers seems to be the norm as well. The inscribed one is solid. I would loved to added the one you sold to my collection. :d
