I'm usually the last on the bus. When did "Gruen" appear on movement? I've a 129k recorded (possibly a 45) with only DGS.

Edit: it would also be helpful if someone could ID the larger version in this lot: 193538174175. It's sn 126666. I note it does say Gruen, so maybe markings varied on the smaller 45.
