Apologies for the plagiarism. My thoughts:

#1 is a 16 size / 19 ligne movement. Caliber 21, 52, 56. There is another 16 size out there that follows #2 in layout.

#2 is a 12 size / 17 ligne movement. Caliber 35

#3 is exceptionally rare, only 3 sightings for me. SN 132k, 134k, 143k. OF and HC.

#4 is a 0 size / 13 ligne movement. Caliber 45

#5 is the V-series, 17 ligne movement. V1, V2, V3, V4

#6 is exceptionally rare, only 3 sightings for me. SN 139k, 140k, 451k

#7 is Barney's ladies movement with serial 130504. SN 128k, 454k seen here (along with possibly dubious sightings in 116/117k)
