Dan, this is the company that I think may have a decent chance of producing the parts box and watch boxes in question. Western Tray & Case Co. Cincinnati, Ohio.  
There are similarities (differences too, but made for different purposes) in not only things like font but in the production of the tray and the boxes. No direct proof yet but seems to me they gotta be coming out of Ohio but who knows.  
I will put this salesman ribbon tray in the database, these photos will work until then. I wish I could stop the deterioration of this tray, it's brittle leather.

This ad from when I think this tray is roughly from:1920:.
