Gary- for sure! I have a few from the shop that I'm documenting before they evaporate into the ether.

Jenneke-is it a swap? Probably but I don't mind that much as it happened before my time w the watch and is part of it's trip. I was told this watch was "sterling" from seller.

Gruen 5th Ave cases don't have Romans on the inside case bezel that match caseback but regular numbers. 658.
