Hello,

My cherished Airflight has recently developed a crack. I'm beside myself as I absolutely love this watch and hope to be able to fix it. Does anyone know of, or have an Airflight case for sale? If not, might you know of any resources (websites, shops, individuals) to try and locate one? I have attached a pic of my Airflight so you can see which style it is.

Any help, insight, direction, etc... would be greatly appreciated.

Thank you so much!!!!
