Ephemerald wrote on Thu, 27 August 2020 16:48 I was wondering about opinions on the crown...it is a replacement right? Original? I'm not sure I have seen one exactly like it but, again, I do not know.

It sure looks right to me. 100+ years later and before some higher level of standardization, to have a silver crown appropriate for the time is about as good as it gets. It's silver, it's the shape of the time. If not original, then it's an appropriate replacement.
