Here's one for the ladies!

Model name: unknown
Type: pocket/pendant
Period/date: 1916-1921
Gender: Lady

Case Maker: Madame Georgine Pau, Geneve
Case Material: 935 “extra” Sterling
Case Serial: 40
Case Style no: n/a

Caliber: 611 or 610, with sub-seconds
Movement Maker: Watch Specialties
Movement Serial: 29347 (or 29 347)

Bracelet: n/a

Other info: The watch measures about 1 1/8" across. Case signed "Watch Specialties Co.", matching movement. Dial back stamped "46." It appears to have had something around the outside (possibly a decorative wrap of gold?) which was held with two screws through the case. It has a hinged top & a metal insert to hold the movement that is stamped with the case number.
