If you were looking for black dial Gruen watches but cannot find any? Here is your chance!

All are running and in excellent condition, they were serviced several years ago. Letting them go as I do not wear them enough to keep them.

Prices are as shown, if you want all 3 then \$450 for the set. Paypal only unless you're a member here then I'll accept a check. \$5 shipping in conus, PM me for overseas shipping cost.
