On Tuesday 6th of June, if all goes well, again a Gruen live stream on Chronoglide channels.

The stream is on Youtube (<https://www.youtube.com/@ChronoglideWatchmaking/featured>), facebook and twitch.

Time: 20:30 (CET/Amsterdam time)

I am going to discuss my watches and other stuff (in my best Dutch English 80 ) with watchmaker Kalle, sharing my love for Gruen. Questions can be asked in the live chat and your help is always welcome! 8)

Edit: wrong date... whoops.
