On Tuesday 6th of June, if all goes well, again a Gruen live stream on Chronoglide channels.

The stream is on Youtube (https://www.youtube.com/@ChronoglideWatchmaking/featured), facebook and twitch.

Time: 20:30 (CET/Amsterdam time)

I am going to discuss my watches and other stuff (in my best Dutch English 80) with watchmaker Kalle, sharing my love for Gruen. Questions can be asked in the live chat and your help is always welcome! 8)

Edit: wrong date... whoops.
