Are you the owner of this site?

To be completely honest, I never seen any specifications as to any particular shaped timepieces, required by this forum, when registering. I found the forum searching because I'm curious about this timepiece. It's been in my family for years and has now made it to me in which I know nothing about. And if by me inquiring about the value, prompted an offense toward you or someone on this forum, then by all means, I will happily provide my review and move on!

As for "Ebay", I have no words at this time, because words can not explain that insult!

This is a form for Gruen Curvex, PLEASE BE SPECIFIC AS TO WHAT IS AND IS NOT ALLOWED ON THE BLOG/FORUM UPON REGISTER!
