Hi Nancy,

Quote:

This is a form for Gruen Curvex, PLEASE BE SPECIFIC AS TO WHAT IS AND IS NOT ALLOWED ON THE BLOG/FORUM UPON REGISTER!

Few things within the realms of decency are actually not allowed on this forum; as long as it pertains to Gruen. We are loose in that aspect.

Jenneke and I are co-admins of the forum. I would like to point out that we are volunteers and as such give the best we can. There is an FAQ for you to read -

I personally do not like to give valuations. I'm not an appraiser. Nor is anyone on this site. It is a skill, done by professionals and in person. We as a group are however interested in the history of the various models of Gruen's production, and not just limited to Curvex.
