A wild goose hunt, but you never know. :d

This wgf curvex duchess is missing her back. I can give her a ygf one, but maybe someone has a loose case back for her?

Then the question, what dial and hands could be correct. Have been looking for wgf examples, examples (right one is ygf) I found:

It seems that ygf hands and blue hands could be both. The sadly non running options I have:

And this is another case I have to fill:

What do you think?

**You could ask, why are these cases empty. Yeah, bought a spares/to fix curvex lot and the seller lost some movements. 8o
