Other info:

The PA Hawk is mentioned in a different thread and the image is not the best. A recent review of any new ads added into the Newspaper.com database has this one for the PA Hawk, which seemingly isn't shown elsewhere on this or other forums*:

I'll go further out onto the limb here and suggest that the case style (not the dial) is a match to this watch, with the Star Watch Case Co. made case:

I've not seen this one ID'd elsewhere.
