Hello,

I don't have any books about Gruen watches. Living in Europe, I feel like I'm not on the right tracks, the right path, or worse, I feel like I don't "speak" the Gruen language... I spend time searching for, but I can't find.

You who know all the tricks, the "Gruen" tips: How and where to have a small chance of finding a single book, just one? I'm talking about a physical book with pages to turn, to feel, not an e-book, a book explaining and showing the Gruen watches, a book like "Gruen Wristwatches Bruce Shawkey".

;-)
