Nice Watch

I not sure about the case maker, It would seem that Western Watch Case went out of business in the 1900's according to Pocket Watch Repair Site.

<http://www.pocketwatchrepair.com/histories/case-companies/case-companies-10.html>, and may have been sold to The Illinois Watch, But I cant, at the moment confirm this.

It could have also connected with the Illinois Case Co, which would seem more likely, but I cant confirm this either!

WWC seems to have been a Trade name for Wadsworth according to the NAWCC

I also have the same model in a WWC marked case, my Movement no is lower than yours, but the case number is higher, not sure what that means, just thought I would add it
