Maybe it is the forum, or maybe it is me but I'm having trouble with the search function. I just received a Guild 885 and using the Forum Search on '885' I didn't find anything. But when I turned to The Google with Gruen 885, it gave me this page:
<http://vintagegruen.org/vgforum/index.php?t=tree&th=83>

Are others having problems like this?
