This info from the 1939 Material catalogue: #117, #119, #123: all movements have two different balance staffs, with .40 & .60 hairspring shoulders/ That info is repeated in the 1948 catalogue.

And this from the 1945 catalogue: #115, #1157, #117, #119 (40 & 60 collet) is interchangeable with the #123. That same info is shown in the 1945 supplement.
