You can't buy them all! At least I can't. I did not win the Kingsday lottery. I bought this as my birthday present. Next year, hmmm, Gruen Orné?

Quote:The crystal sure looks to be handmade.
I will try to make a picture with better light. The seller told me the watch was in a collection of antique watches on display in his father's jewelry store for over 60 years. So it must be an old redial/crystal replacement.
