Jenneke wrote on Thu, 09 May 2013 17:56[Bazzab Why not a new sub section for Movement pictures only, like Ranfft but with Gruen movements

Or ask Ranfft to add the missing calibers into his archive?

I beleive that Ranfft needs to see the movements before he enters it on his database
We as Gruenites already hold the movements So that would not be a problem
A database of movements would bring to life the Gruen Parts and Material books
B
