I did have this watch in my list but it was my b-day weekend & I was away from my computer.

I also didn't like the \$35 shipping! I thought for sure others would bid it up. But all in all, it was a really good score!

I saw that \$35 shipping cost and set a limit of \$15 for the watch. Then no one else bid on it...  
I did receive it all the way from Johannesburg, SA in just 4 days though.
