Hi. I was wondering if you can help identify this watch. (Gruen Automatic)
L378477 480 729 SS is on the case.

I was trying to look it up and found that 729 is the Style and 480 is the caliber.
Year 1950
BUT, I can't find any pictures of this exact watch with these lugs! I found the dial, but not this EXACT watch.
Help!
