Hi. I was wondering if you can help identify this watch. (Gruen Automatic)

L378477 480 729 SS is on the case.

I was trying to look it up and found that 729 is the Style and 480 is the caliber.

Year 1950

BUT, I can't find any pictures of this exact watch with these lugs! I found the dial, but not this EXACT watch.

Help!
