Case Serial :
Case Style no :

Caliber :V2
Movement Maker :
Movement Serial:

Bracelet :

Hi
sorry if my Q is stupid, but I just don't know. I purchased the movement (working) and want to put it in a nice case. The first 38mm case (verithin) was No good as the stem did not fit.

Do I have to purchase a particular style of case OF stem set etc.

By What name is the movement known? Is thee a Cal number?

Please help.

Regards

Rees
