Subject: Re: GRUEN purse watch / travel watch Posted by Barney Green on Tue, 09 Aug 2016 16:53:37 GMT View Forum Message <> Reply to Message

Hi Thomas,

yes, I purchased it in Germany. Please post the photos when available. I also thought that this watch was offered before the Carrés were announced. I also believe that only a few hundred have been made at max. Even without the bow I am sure it was worth it's price.

Barney
