There are so many people to thank with this project. It was a wish of mine to give back. So many times we read or hear about "Takers", I wanted to start a movement with the help of the watch community. Well, we did it. Tomas Garcia was instrumental in this endeavor, he was the person responsible for repairing this watch. Kurt Ryerson worked his magic on the hairspring and the stem came from this forum.

Thank ALL of you for contributions, without it, this would not of happened. Maybe, juts maybe we can do another project some day and select another worthy charity to help, if so count me in.

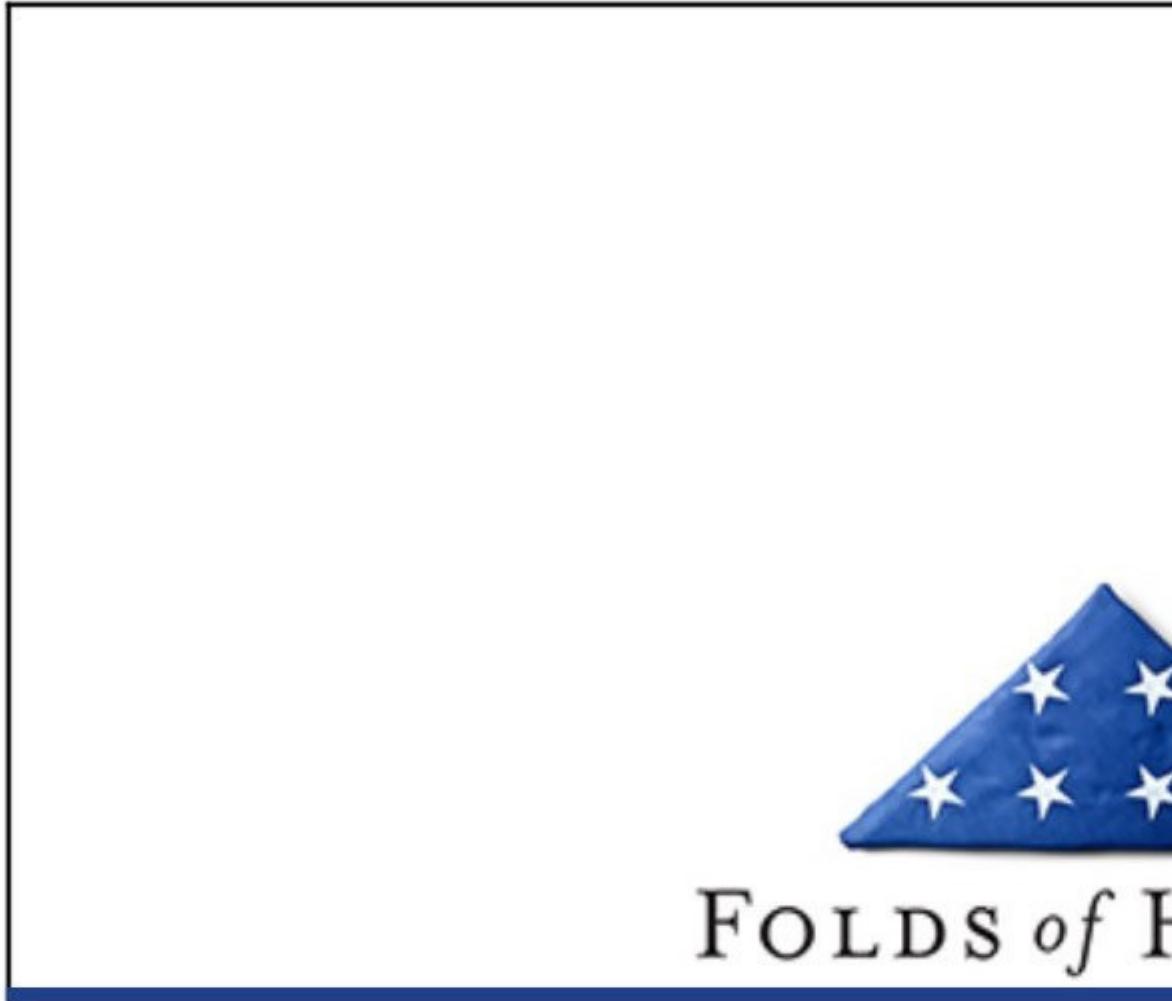

AKA ncinfinity in several other forums

Respectfully,

Brian Dedrickson

Dear Brian Dedrickson,

On behalf of the Folds of Honor I would like to thank you for your generous contribution of **\$525.00**. Your generous contribution to the Folds of Honor makes our charitable mission possible, providing educational scholarships to the spouses of our fallen and disabled military service members.

For this generation and those to come, we will always be grateful for the generosity of donors like you.

Again, we thank you for your support and participation.
