Model name: Curvex Adjutant

Period/date: Circa 1941-1946

Gender: Men's

Case Maker: Wadsworth

Case Material: 14 Karat Gold

Case Serial:

Case Style no: 440 499

Caliber: 440

Movement Maker: Gruen

Movement Serial:

Bracelet: 14mm Strap

Other info : The Curvex Adjutant appears in the 1942 countertop catalog, but I've not seen it in print advertising. I have heard anecdotally that this model was also sold as the Curvex Blanchard, but have not seen documented proof.

To my knowledge, this model equals the shortest Curvexes at 34mm.

Available (obviously) in both yellow and pink gold. Yellow fitted with original AGN dial, pink has original hard enamel Roman numeral dial.
