Well, since there is a Pan American Captain already in the 1940s group, I'll add to this one. Too bad that Abacus has never been back to give an update on the restoration of his grandfather's watch. Pretty darn cool watch.

Here is mine that I received in trade for work on another person's group of watches. It came with an obvious redial and incorrect hands. Out of serendipity, an uncased movement and an nearly NOS dial for a Captain was listed on eBay last August. Seller told me the case had been scraped.  
:roll: :cry:
