I'm looking for two Pan Am watch cases. Don't care what shape they're in....they can be cleaned and polished.

Kind Regards, Tomas AKA Timeticker

Goldfilled Wadsworth or Switzerland style? Not that I have one, just curious.

Well, not that I would assume that you hade one of each. Just sayin! Hypothetically, speaking, that if you one would have one of each, then I would hypothetically be interested

I "hypothetically" have a box of PanAm spares including a variety of cases, dials and movements. Let me know which dials you have and I can probably provide appropriate cases.

I am not "hypothetically" interested in your offer...... AM FREAKED OUT by your offer!!! woohoo! Ok, can I call you on Saturday? I can tell you that one of the dials is the butler with "illumed" dial numbers and hand, and the other is the white Pan Am dial. On the white one, I have

no idea what hands go on it, but it's a beauty!

Hey Carey,

I tried calling your phone, but I can't get through. I am very much interested in the cases. When is a good time to call?
