Hello Gruenites!!!

I am looking for a set of hands, blue steel Baton for a Cal 405. I need the blue steel seconds hand as well. Also, I would like to get another set (Baton blue steel) for a 420. Send a note if you can.

BREAK. Correction!!! I need the blue "stick" steel type found in the big green book.

Latest news. I want to personally thank Carey for helping out with my 420SS Pan Am Cases. I can now put these cases to good use, and start wearing some of my favorite Pan Ams. Thank you so very much Mr Hurt!!!! Also, a great thanks to GaryM for being so faithful, and kind. Truly a great website!!!
