Hi,
I am currently looking to purchase a nice original Gruen chrono-timer in steel. Please reach out to me if you have one. I am new to this forum but have references from others. Really appreciate it!

Hi there!

Welcome to the VGF.

Those are in high demand of late. I wish you luck with your hunt.
If you can locate a movement, with the chronoworks intact, I can introduce you to someone that might be willing to negotiate on one.

They are out there on the web but you'll have to pay dearly for them. These are substantially more than I paid for my 14kt gold model.
