Model name : Knight
Type : Curvex Precision
Period/date : 1937 - 1940
Gender : Mens

Case Maker : ? Gruen
Case Material : 10k gold filled
Case Serial : 2524163
Case Style no : 280

Caliber : 330
Movement Maker : ?
Movement Serial: 315925 (could be wrong)

Bracelet : Speidel flex, pat 2.689.450, GF

Other info : I think it is huge! (compared to my ladies watches) This one is intended for my dad. Sadly the movement (wobly balance) didn't survive the trip overseas. I assume the lugs are slightly bend to fit the bracelet... From lug end to lug end it is 45mm. It has some nice art deco engraving on the bezel. Shows some age.
