Very nice! Should be a 1927/28 Wristlet 91.
The bracelet appears to be 70s, but yes, I think the Milanese style fits the watch though.

This one is almost certain green gold. But is is just hard to see. It is slightly more yellow than my green tank but more green than my coin cartouche.

That wrist band sits nice on the wrist. And not one you see often.

And I have her older (beaten up) sister. Different movement!

:lol:

My collection of gruen babies is very broad, so dont think that name covers it. :d
