Vacation time is here and with it the QUADRON—

Gruen's newest Strap Watch

Golf, tennis and motoring require its convenience. Strenuous sorties into the woods—or at the beach need its rugged dependability—and warm days at the office or at home, when no vest is worn, demand its security and comfort.

For the Gruen Quadron is distinguished by eight features possessed by no other one strap watch. Besides its famous rectangular Gruen movement which utilizes the entire case space for larger and stronger parts, it is curved to hug the wrist; has an interchangeable crystal feature; second hand; non-pull-out stem and spring-catch pins which securely
