I have some part type Gruens that I'll be selling off in the next couple of months, maybe years, my hands were like shovels back in the day.

This is an unidentified 421, 1952 estimated date.

The good:

- Nice running 421 movement
- Case is in good shape

The bad:

- Heavily scratched crystal
- Dial is in poor condition, redial

Good for a donor movement and parts. Bracelet is a Gemex.

\$15, free shipping for members

\$30, plus shipping for non members

PayPal and all major credit cards accepted.

Please PM for availability. Cheers!

Well, that sold fast! Congratulations. Only just saw it, and was tempted until I saw the sold sign...
