May I introduce you to "Norma".

Available from 1962 to 1968...

Here mine in white:

Yours should be a later one, most N225R based watches are from 1966 to 1968. Mine is a few years older and based on the standard 225 built between 1962 and 1964.

Wow, quick id. Even without numbers.

I like the incabloc thing on the movement. My first Gruen I can drop or bump without a problem?

:twisted:
