Hi everyone,

I'm having my green gold Gruen Pentagon serviced and needed to source a NOS Gruen mainspring for it. I needed to buy a lot containing several NOS Gruen mainsprings in order to get the one I was looking for. Luckily, the lot wasn't expensive!

I have no use for the other mainsprings from this lot -- please drop me a line if you'd like me to mail any of the other mainsprings shown in the photo below. These are free to anyone in the forum.

Cheers,

Dan
