I was given a copy of the 1947 booklet that Gruen published on servicing a watch. I already have a copy; don't need two.

Good condition, intact binding and not missing any pages.

Call dibs below and then PM me your mailing address.

Reimburse me for postage, is all I ask. If you live overseas... I can get an estimate for a padded mailer.

Thanks and hopefully I can one day return the favor. Let me know the cost for the postage and I can "Zelle" you the money. If your not familiar with "Zelle" I send it through my Bank app. via your phone # and name, if this is okay with you?

I still need to research this forum in more detail and get familiar with it. What state are you from?
